Youth Fest

SEASON - 8 **2025**

Why Santhwanam Youth Festival is different from other similar events?

Being a responsible organization, Santhwanam is always eager to extend its support to those who are in need. When it comes to Santhwanam Youth Festival, determined children were part of our thoughts, and accordingly decided to showcase the talent of little angels. Probably, this is a rare opportunity for our kids to compete in public. By doing this, we are trying to meet the expectation of the Community Development Authority and the Government of Dubai as a whole.

Santhwanam will be hosting **Youth Fest 2025** a festival of art at its best, at **Gulf Model School, Muhaisnah 4, Dubai** on **29th & 30th November 2025**

Santhwanam's participation and involvement in the social and cultural activities in UAE are well acknowledged. More than 1500 budding artists will exhibit their talents in their chosen art forms during the Art Festival.

We seek your presence and participation in this great event. Please be there in good numbers to bless and encourage the young talents.
